

How do I become a member of FutureNHS?

FutureNHS is open to anyone working in health and social care. You can become a member if you are **invited to join a workspace** by a workspace manager, or **request or register to join** if you work for a trusted organisation like the NHS.

Register or request to join today

If you have an **@nhs.net**, **@*.nhs.uk** or **@phe.gov.uk** email address, you can self-register to the platform. Go to **future.nhs.uk** and input your details under 'Need an account'. You will be asked to enter your log in and personal information.

If you have a different email to these, you can request an invitation to join the FutureNHS platform. Go to **future.nhs.uk** and select 'Request access', follow the link to our support form and tell us the details of the workspace you would like to join and the reason for joining.

Have questions?

To find out more about FutureNHS, visit our FAQs at **future.nhs.uk/about**

You can also contact a member of our support team by going to **future.nhs.uk** and clicking the blue 'Help' button in the bottom right corner of the page.
